This one-sheet marks the release of **Steve Hall**'s latest CD **Follow The Sunset**. This veteran multi-instrumentalist plays trumpet, guitar, and keyboards on his sixth recording as a leader. He also composed all eleven of the songs on this recording.

Follow The Sunset is a suite of songs paying tribute to places on the West Coast that have inspired him. The titles tell the story. From **Central Coast**, **San Jose**, **Harvest Time**, through **Riding The Skunk** (from Wil-lits to Fort Bragg). And many stops in between.

Steve was ably assisted by **David Burrow** (drums) on all tracks. **Pete Petersen** (baritone sax) on four of the tunes, **Ronnie Harris** (conga drums) on five of the songs and **Christopher Weitach** (pedal steel guitar) on **Tuesday Night In Spokane**.
